Voice: (864) 233-8363 Fax: (864) 233-2424
Website: www.blueridgecouncil.org

July 15, 2009

To: All Commissioners within the Blue Ridge Council

The 2010 Commissioners' College will be held on June 4 - 6, 2010, at the Ridgecrest Conference Center in Ridgecrest, North Carolina (just outside of Asheville off I-40 at Exit 66), which is only 90 minutes from Greenville.

Please make every effort to attend! The quality of training will be outstanding, and our attendance will enable each of us to better serve our Units, District, and Council.

The College's registration form and brochure will be available late this year at www.blueridgecouncil.org. When available, as usual, the materials will also be emailed to each Commissioner in the Blue Ridge Council (more than once), hard copies will be mailed via the US Postal Service to those Commissioners who do not utilize email, each District Commissioner will have copies available for distribution purposes at Scout meetings within the District, and copies will also be available at the Council Office (just outside the Scout Shop entrance).

In closing, thanks so much for ALL that you do for Scouting!

Michael Thompson, Council Commissioner
